

Casey Murray

Following the footsteps of his siblings, Casey began dancing as a toddler and quickly took to the stage. He has performed at Great America Parkways *Nosferatu* show, the Capezio Ace Awards, and the International SF Hip hop Dance Fest. He has attended summer intensives with the Entity Dance Company, Backhaus Dance, and Joffrey Ballet School, as well as being part of L.A. Dance Magic's Mens's Company. After representing his chapter as Mr. Dance of California 2017, he received first runner-up for Mister Dance of America 2018.

In addition to dancing, Casey's artistic interests expand to include vocal, guitar, percussion and piano, as well as drawing and painting. He was heavily involved in his local arts community and choreographed for his own children's classes, high school dance team, and New Constitution, a teen hip hop crew. He will continue to study choreography and prepare for a professional career at USC's Kaufman School of Dance ('22).
